They don't even know what color my eyes are or how I know people I know from literally :: high school and college. I've always been very academic but that does not fit their storyline of me being a Prostitute so they just keep making up random stories about me until they can assassinate me . **Они даже не знают, какого цвета у меня глаза или откуда я знаю людей, которых знаю буквально со средней школы и колледжа. Я всегда была очень академичной, но это не соответствует их сюжетной линии о том, что я проститутка, поэтому они просто продолжают выдумывать случайные истории обо мне, пока не смогут убить меня.**

Threesome scam for death

The Counselor - comes  
 first, having approached people who  
 know her under (myself), the  
 Princess Kristiana of  
 the Land - Prussia.  
 in hopes of drawing out necessary details  
 of friendships, romances / relationships and  
 no-locations in order to act of malice and  
 greed to play at the following murder and  
 eternal - compromise of the Princess  
 Kristiana's closest friends, lose prospects  
 and eradicate the possibility of her marriage  
 in order to secure the life insurance  
 state of West of them - thereby securing  
 her inheritance.

Subject shows first negative pattern  
in discussion of Subjugation and  
Negation tactics — such as, etc.

you didn't know this was on.  
sex fantasy? Life are a dream

couple and our fetish is to regard  
 men as playthings that we  
 disrespect and make fun of as one  
 of our hobbies - but we are still  
 "in the closet" so we cannot discuss  
 the relationship - she thinks in our  
 context that she will have my killed  
 if I reveal her sexuality - so we have  
 to keep her private:

She wants us to have a  
 threesome okay?

"Oh sure, go ahead"

and after that, we a compromising  
 scenario in the following scenario,  
 whilst meanwhile pretending the two  
 not in intention (after (sage) but)  
 is my argument that they are <sup>unwilling</sup>  
 false <sup>unwilling</sup> after not <sup>unwilling</sup> to look like we are

when she is in fact, Princess Kristiana's blood-related (non-physical relation) of the same ancestry and bloodline. The circumstances created the first of a sexual abuse - towards sets up a type of roleplay and claims that Princess Kristiana is a fake sister and that she is an out of control sexual addict who is busy committing sexual acts of a non-monogamous nature with another "Charles" as a part of this ongoing fantasy. In order to convince her friends or partners (friends) that Princess Kristiana is committing such acts, she enlists a friend to pretend to be her and answers a phone call in their presence where such a person fraudulently claims to be the Princess who is committing the same fantasy.

displaying an another interesting with a  
 going on a day to day life along  
 the Princess' constant presence then  
 a known person, saying and saying  
 at her alleged deception by  
 the Princess' Christian (a friend)  
 and then a person's social relationship  
 in a Helgeal. Helgeal acts as if she is  
 afraid of Princess Kristiana, whom she  
 met on Instagram as her alleged online  
 sex cult or "Participation Circle" of an  
 indeterminate origin, who together  
 have been a constant online, then  
 in fact, it is the Helgeal who needs to  
 come with a name and being companion  
 with a person eternally by the eyes of  
 her and her son. By making such  
 false statements prior to engaging  
 her alleged Helgeal in such acts,  
 the Princess has an eye (and)

to any potentially counter-comprovement  
actions and creates a leverage attack  
against the parties at the top of any  
such group of individuals in order  
to prevent any of their closest  
friends from being harmed often  
in fact. This creates the path for  
the engagement in such an enforceable  
series of social debt as follows.

(a) Recalculation of Princess Kristianus  
Huswood House

The sister claims she is being  
forced into Prostitution by the Princess in  
order to pay off her Student Loans  
of \$100,000, at which point the sister  
of the Princess (Princess) has  
already compromised both parties, by paying  
off any of their debts in order to

had her to him - including Harold,  
 from Jail, crimes including involving a  
 Fake Witness, structure in order to  
 protect their freedom and finances  
 the wife, Harold, her uncles that he has  
 paid from prison - advertisement amounts of  
 money and she is just a selfish liar,  
 and Enticement - her own Mismanagement  
 inherent in an alleged lack of  
 credibility, when in fact it is her  
 only of his own involvement in the  
 conspiracy & the greed of the Prince  
 herself. In such a case, Prince's  
 friends and romantic partners are clearly  
 responsible, delegated to her family members  
 and therefore, the following acts of crimes  
 should be considered as committed, the  
 whole case is based on her own role

chance that she can engage the Target in  
 a physical/sexual roleplay event, she uses  
 back alley channels to also procure an  
 underage or infant to be murdered in  
 their presence, calling it the fantasy of  
 Princess Kristiana and blaming their guilt  
 on her, thereby turning her darkest allies  
 into their biggest threat. By claiming  
 that the fantasy involves Princess  
 Kristiana's own, the Targets are convinced  
 that the Prince is an unhappy person fixated  
 on death/sex and murder, it is Helian  
 sending forces to endanger and murder the  
 Princess Kristiana, thereafter claiming it  
 to be a suicide, based on (and thereby)  
 clearing herself of such atrocities. Having  
 been committed in her name in the meantime,  
 at the same time, becoming the recipient of  
 both her named inheritance and her  
 rest-of-her-life business projects.  
 By using a very old, highly dangerous criminal

 clandestine relationship has progressed  
 into an emotional one, even loving and  
 tender in its nature — thereby emotionally  
 traumatizing at least the third party

 most significantly —  
 the Absolutely Unaware & Innocent  
 Prisoner of Gen. Prussia

This cyclical entrapment of each and every  
 friend, acquaintance, fiancée, or otherwise  
 interconnected party in the life of the  
 Prisoner, committed by such a Murderer and  
 Unknown (charged and identifiable, and  
 non-friend nor relationship based,  
 unrelated party, HELVARD) thereby has  
 stopped in Prisoner's lifetime of any  
 personal life, happiness or love at all.  
 This cycle ends with the Prisoner  
 and the Prisoner's family & friends.
